

MICHELENA PEYO

ABOUT ME

I am a student in my second year of a Bachelor's in Computer Science. I wish to join a company and apply the skills I have gained during this academic year to contribute to your organization.

INTERESTS

-Sports

I practice basketball and football at the club. I also continue to practice occasionally.

Videos Games

I enjoy playing video games with my friends online.

EXPERIENCE PROFESSIONEL

Internship

Flashcompo

2017-2018

I make an internship during my high school last's years where I worked on web design and digital marketing. I also discovered the business environment and teamwork.
